

Traction Enhancing Cleaner-Degreaser

A product of Sure Grip Floor Safety Solutions

E3 daily maintenance cleaner is the first line of defense in the battle of slippery floors. Unlike most cleaner-degreasers, it is alkaline free. Although alkaline cleaners are known for their grease cutting attributes, the residue they leave behind will turn a wet floor into a serious slip hazard. E-3 emulsifies and suspends soil, grease and other contaminants, lifting from deep in the microscopic pores of the floor surface. Once the grease is emulsified, it can easily be extracted or rinsed away leaving the floor surface residue-free. When E-3 is used daily it will reduce the occurrence of polymerization, greatly improving surface traction.

Recommended uses:

- All mineral flooring including:
 - Slate Ceramic
 - Quarry Brick
 - Terrazzo Concrete and others.
- Vinyl flooring
- Walls
- Equipment

DO NOT USE ON ANY SURFACE WITH FLOOR FINISH OR WAX.

Contains no Phosphates, Butyl or Bleaches
 Concentrated and Super Concentrated
 Safe and Environmentally Friendly
 Cost Effective
 NSF/USDA Registered and Approved
 Active Ingredient EPA Approved

Dilution Ratios:		
Mop Bucket	Concentrated	Super-Concentrated
Daily Maintenance	2oz. per Gallon (1:64)	1oz. per Gallon (1:128)
Heavy Soil	4oz. per Gallon (1:32)	2oz. per Gallon (1:64)

Data	
Product Name:	Emulsion 3
Appearance:	Light orange liquid
Odor:	Fresh
Ph in use dilution:	6.0-6.4
DOT Hazardous ingredients:	None
Vapor pressure (mm/hg):	17mm @ 20 C
Boiling point, F:	212 F (ASTM D-1120)
Solubility in water:	Complete
Flash Point:	>101C (ASTM D-56) Tag closed cup
